

INTRODUCING SMARTHUB

WHAT WILL SMARTHUB DO FOR YOU?

Look for the SmartHub logo on our website at www.netamu.com for instructions on how to register

SmartHub is a web and mobile app that allows you to do business with AMU like never before:

- Manage your account
- View and pay your bill
- Monitor usage 24/7
- Report service issues
- Receive important notices

If you pay your AMU Utility bill with a recurring credit card payment, please register your credit card on SmartHub to continue to use the card.

You do NOT need to re-register if you are a Bank Auto Pay customer.

Currently we can NOT take recurring credit card payments for Communications.
